Kingsman 2 imdb parents guide. Ted 2 imdb parents guide. Last of us 2 imdb parents guide. 2 guns imdb parents guide.

Thursday August 5, 2021 12:50 am PDT by Tim HardwickIMDb has released standalone iPhone and iPad apps for its free, ad-supported TV streaming service, meaning users looking to access its video offerings no longer need go searching for it in the standard IMDb app. IMDb TV offers viewers free access to a range of popular shows and movies, such as "Mad Men," "Malcolm in the Middle," "Wolf of Wall Street," and "How to Train Your Dragon." It also... Kingsman: Kultainen kehä (2017) Add to guide Jump to: Severity? 9 11 40 147 We were unable to submit your evaluation. Please try again later. The film contains frequent violence, which in most times it is stylized. Some violence includes martial arts, fighting, punching, kicking, guns and shooting. Blood spray from exit wounds, often from heads, is shown but only for split seconds. Two people are stabbed by a sign and blood ends up on the sign Two men get into a long a fight with a third man, which results in the third man getting injured severely. A person is cut in half with an electric lasso (no blood but still shocking). A man is shot in the face but it isn't seen. A man pours alcohol on two other men's laps and threatens to burn their testicles. A man gets a tattoo of a circle on his chest made out of molten gold. Two men get into a fight with each other, one is beaten severely. A character is killed and ground up in a meat grinder Two robot dogs chase a man around, then grab him and toss him around. The dogs then close in on the man and kill him. There are a number of highly stylised scenes of combat featuring heavy blows as well as the use of weapons such as guns, flamethrowers, dog-robots and explosives. Blood comes out of a man's eyes and nose as the result of a virus People are ground up by a meat grinder. A brief grizzly view of blood and gore on the blades of the grinder. Piles of ground meat come out of the device and are visible for a while. A man beats another man's head in with a piano flap and then kicks two other men. There is a scene featuring cannibalism. The Parents Guide items below may give away important plot points. A taxi driver is cut on the neck with a poisoned blade and dies while driving his passengers into a concrete barrier. The entire plot of the movie revolves around drugs. SPOILER: There is a drug cartel that gives people drugs and then everyone who uses it becomes diseased and they pretty much promote it. Even the presidents assistant says that she wouldn't be able to her job without drugs Cast & crewUser reviewsTriviaOriginal title: Kingsman: The Golden CircleAfter the Kingsman's headquarters are destroyed and the world is held hostage, an allied spy organization in the United States is discovered. These two elite secret agencies must band together to defeat a common enemy.794User reviews377Critic reviewsMetascore Sequel tries to recapture lightning of original, gets lesser but still fun productThis movie feels familiar, and on two counts it is.The Golden Circle is the sequel to the unexpected success story Kingsman: The Secret Service, which was a humorous satire of spy movie tropes with serious undertones mixed in. It knew when to be serious and when to be so serious it was funny. That, combined with some excellent cinematography, made The Secret Service a thoroughly enjoyable film.The Golden Circle has all of these things as well, but while still fun it just comes off feeling like a lesser imitation of the original.Which is where the second count of familiarity comes in: 2017 had another one of these sequels repeat the same formula with lesser results, namely Guardians of the Galaxy Vol. 2. Curiously, both original films (Kingsman: The Secret Service and Guardians of the Galaxy) premiered in 2014 with both sequels coming out this year.Now, that's not to say that Guardians Vol. 2 wasn't fun, and The Golden Circle has plenty of fun as well.The film finds the Kingsman on the receiving end of a ruthless Julianne Moore as Poppy, a leader of a drug cartel who wants all drugs to be legalized. Her leverage: her drugs will kill all of its users, of which there are hundreds of millions worldwide. With the Kingsmen's UK resources destroyed, it's up to Taron Egerton's Eggsy and Mark Strong's Merlin to team up with the Statesmen, the US intelligence service featuring Jeff Bridges's Champ, Channing Tatum's Tequila, and Halle Berry's Ginger Ale.There are fast-paced, well-shot action scenes throughout, as with the original Kingsman, the standout being the taxi chase at the beginning. The dialogue is fun, but it hits a few sour notes along the way, especially in its parodying of a certain political figure which comes off as ham-fisted and forced.The pacing of this film is a problem. At 2 hours 21 minutes, it definitely feels too long, especially when there are one too many big set pieces that feel like they should be the stage for the finale but end up being not.Finally, there's a right way and a wrong way to do callbacks to the previous film in a sequel. It's OK to be overt, as long as it's balanced with other, more subtle references as well. Unfortunately, The Golden Circle tends to pound you over the head with callbacks, including literally splicing in footage from the first film in reference to characters who are supposed to be important, but for the life of me you can't possibly remember where they popped up in the first film unless you watch it right before seeing this one.Overall, I would say that there is nothing truly objectionable about this film (although throwing in lots of F-Bombs doesn't automatically equal comedy), but this film may just serve as a reminder of a much more solid film that came before it rather than standing on its own merits.See detailed box office info on IMDbProSuggest an edit or add missing contentYou have no recently viewed pages Kingsman: Kultainen kehä (2017) Add to guide Jump to: Severity? 9 11 40 147 We were unable to submit your evaluation.
